

ACTIVIDAD PRÁCTICA #4 - Semana 2

ALEJANDRA JUÁREZ 1318123

The image shows a screenshot of the Brilliant.org website. The top navigation bar includes the Brilliant logo, 'Home', 'Courses', and 'Classroom' links. The main content area is divided into two sections. On the left, there is a card for the 'Computer Science & Programming' course, which is at 'LEVEL 1' and '1.1 Thinking In Code'. It includes a progress bar and a description: 'Build solid foundations for computational problem solving.' Below the card, it says '8 Lessons' and 'Practice'. On the right, there is a 'Challenge Problems' section with a progress indicator '3' and a green checkmark. It lists two items: 'Langton's Ant' and 'Langton's Ant Revisited', both with green checkmarks. A sidebar on the far right shows the user's profile for 'Alejandra Juárez' with a Google account link and a list of other profiles. The bottom of the image shows a similar view but with the 'Precision' section highlighted, showing a progress indicator '1' and a green checkmark. It lists three items: 'Thinking in Code', 'Repetition', and 'Recognizing Patterns', all with green checkmarks. A 'Practice Repetition' button is also visible.
