The screenshot shows the Brilliant.org website interface. The browser address bar displays the URL: brilliant.org/courses/computer-science-essentials/algorithmic-thinking-7/. The website header includes the Brilliant logo and navigation links for Home, Courses, and Classroom. A search bar is also present.

The main content area is divided into two sections. On the left, there is a course card for "Computer Science & Programming" at Level 1. The card features an illustration of a robot and a progress bar for "1.2 Computer Science Fundamentals". The description states: "Wrap your mind around computational thinking, from everyday tasks to algorithms." and indicates "14 Lessons".

On the right, there is a section titled "Tools of Computer Science" with a list of topics, each marked with a green checkmark: "Making Decisions", "Searching for Solutions", and "Parallelism".

On the far right, a user profile card is visible for "Alejandra Juárez" (alejm1606@gmail.com). The profile includes a profile picture, a green checkmark indicating that synchronization is active, and a link to "Gestionar tu cuenta de Google". Below this, there is a section for "Otros perfiles" (Other profiles) listing "Jessica Alejandra (alee)", "Invitado", and an "Añadir" (Add) button.
